## How Much Should I Charge?

RLC WGs get complete control over their rates and services. You can charge whatever you feel is right for your sessions!

If you are just starting out, take a look through the [WG Directory](#) to see what other WGs are charging for similar services. You can try offering a beginner's rate that's a little lower to build up your clientele and good reviews! Once you have a good client base, try setting your rates a little higher to bring in more Rays.

## How Can I Make More Money?

### Special Sessions

WGs who offer special services in their sessions open themselves up to a wider variety of clients:

- Voice and cam sessions offer clients additional intimacy and realism
- Fetish sessions, such a domination and role play are great for kinky clients
- Duos with other WGs can be exciting, just make sure you work out with the other WG beforehand what your are both comfortable doing with each other and how payment will be shared

### Build Your Clientele

The more loyal and talkative your clientele, the more Rays you make!

- If you can, try keeping and advertising a regular schedule. This makes it easier for clients who like you to see you over and over
- Encourage clients to leave reviews on your WG Directory profile. Make sure ONLY those who have enjoyed a session with you leave reviews as false reviews are easily spotted, harm your reputation and will be removed
- Try offering a special rate for first-time clients on their first session with you. You never know who's been dying to try you out but just needed a little extra push!

### Advertising

There are plenty of opportunities to get the word out about your services in RLC

- Participating in the monthly WG Party is a great way to make yourself known. Check out private WG parties, too!
- Advertising spots are available in the Bordello and various places around RLC. [Open a WG support ticket](#) to learn more. Don't forget to submit your [WG Billboard Ad](#)!
- If you want to bring in clients from outside RLC, you can always try advertising to people on other websites. Make sure you're complying with their rules

### Other Ways To Earn Rays

- [Daily activities](#) in the Social Center can earn your account Rays.
- The [Refer a Friend program](#) gives you AND your referred friends Rays when they sign up and upgrade

## Member Types

You can tell what type of account a member has by their name color and badge. Each account type has different perks and abilities, so be sure you're familiar with them before you start offering your services. Staff and volunteers may not accept your services, so please do not solicit them.

<b>BASIC MEMBER</b> <b>GREEN</b>	Green members are unable get nude or view nudity, use sex animations, send Rays or private messages, or buy or use custom clothing. <i>Remember: if they want your services they may upgrade, so don't ignore greenies!</i>

<b>WGs</b> <b>RED BADGE</b>	WG badges, whether basic, listed or verified, always show in red text. WGs may only solicit in RLC areas which have the badge enabled and private venues as the owner sees fit.

## Tips And Safety

Never give out personal information such as your real name, where you live, schools you've attended, your facebook link, etc. The more someone knows about you, the easier it is for them to steal your identity or stalk you. If you plan on using third party software such as Skype to provide voice or cam sessions, consider setting up an account that is not linked to your real name.

Don't be afraid to say NO if you are uncomfortable with a client or request. Try to be gracious if you must reject someone, to prevent bad reviews and complaints. Always refund someone if they've paid you but you've decided not to provide a session.

Always put on a good attitude! If you are irritable, snobby or rude, your clients will never repeat with you and will ensure that potential clients don't waste their Rays.

If all this seems strange to you and you are not sure you have the personality to carry out a steamy virtual sex session with a complete stranger over the net, then consider creating an 'alter ego' and become someone completely different. Be creative and invent an alter ego that will make you feel comfortable and confident.

- The Innocent Sponge—Inexperienced and willing to be taught
- The Sexual Daredevil—Willing to try anything twice, no fetish is off limits
- The Nympho Slut—Porn-star attitude, promiscuous and proud of it. Needing sex 24/7
- The Dominatrix—You enjoy giving verbal bashings, you are superior and rule at the art of humiliation

## Terms and Rules
